

## **Putting a beautiful smile**

**on your child's face is easy and comes at no cost to your family.**

Your Burlington students can get dental care during school.

To be eligible students must:

1. Be enrolled in Medicaid / Dr. Dynasaur  
OR  
Have no dental insurance and meet family income guidelines.
2. Have no dentist or dental home.
3. Attend school in the Burlington School District.

Students can get dental care from dentists, hygienists and dental assistant at Community Health Center's clinic at Integrated Arts Academy. High school students will be seen at Community Health Center's main office on Riverside Avenue.

Parents are encouraged to attend appointments and transport their children to appointments.

Your child can still get dental care even if you can't attend or provide transportation. That means:

-  You don't need to take time off.
-  You don't have to worry about appointments or insurance.
